

With the largest collection of intact sandstone Georgian buildings in a village setting in Australia, Oatlands is a beautiful place. However it is the stories contained within the sandstone that offer a rare glimpse into the events and people who helped to shape our history and illuminate who we are. Lake Dulverton is a wildlife sanctuary with abundant bird life and picnic and barbecue facilities.

HERITAGE BUILDINGS

- The **Callington Mill** complex: an enduring symbol of our enterprising colonial past and the home of the Callington Mill Distillery
- The **Supreme Court House**: one of the oldest Supreme Court Houses in Australia.
- The **Military Precinct**: a unique insight into Oatlands' foundation and why it nearly became the capital of Van Diemen's Land.
- The **Commissariat**: the oldest remaining building of the Military Precinct, once housing all of the stores and provisions for the military and convicts.
- **Three historic churches**, including the Pugin-designed St Paul's Catholic Church.

ATTRACTIONS AND ACTIVITIES

- Visitors can obtain a free **Oatlands Key** that allows self-guided tours of the buildings including the Commissariat, the Supreme Court House and the Gaoler's Residence.
- **Self guided walking brochure tours**: discover the fascinating stories behind Oatlands and its captivating buildings and landscape by grabbing a self-guided map and exploring Oatlands at your own pace.
- Visit the **Oatlands Historical Society History Room** for a first-hand glimpse into Oatlands' past through displays and images. Entry is by gold coin donation.
