13.1.1 P&H WILLIAMS – WHITE KANGAROO ROAD, CAMPANIA (CROWN RESERVED ROAD – PUBLIC INITIATED REQUEST TO CONSTRUCT)

Author: GENERAL MANAGER (TIM KIRKWOOD)

Date: 22 JULY 2016

Attachment:-

Council Policy – Crown Reserved Roads (Unmade Roads): Public Initiated Request To Construct – Policy and Procedures

ISSUE

Council to consider a formal request made under Council's Policy entitled "Crown Reserved Roads (Unmade Roads) – Public Initiated Request to Construct".

BACKGROUND

P & H Williams reside at 747 White Kangaroo Road, Campania. Access to their property is gained from White Kangaroo Road, however the Council maintained section of White Kangaroo Road stops approximately 500 metres short of their property boundary.

At present the 500 metres of unmade road that they use to access their property goes through two separate Titles, owned by R & L Douglas and J Marshall. Without going into history, a review of those Titles confirms that there is legal road access through to the Williams boundary.

In accordance with the attached Policy (adopted in October 2006), if the 500 metres is constructed to the nominated Council standard, it can become a Council maintained road and be included on the Council map. Note: The Council map is kept in accordance with section 208 of the *Local Government Act 1993* which states, amongst other things that the General Manager is to keep up to date a map of its municipal area showing all local highways maintainable by the council.

DETAIL

Recent discussions have been held with P & H Williams for the purpose of detailing the intent of the Policy and associated procedures.

In terms of required standard, given the location and level of usage, the proposed construction standard would be to a U3 level (being the lowest classification for unsealed roads). Taking into account the current standard of the 'unmade road', construction to an acceptable standard would simply require minor drainage improvements and the application of 150 mm of gravel and compaction. The estimated cost to construct the road to the required standard is \$9,000.

In reference to the procedure contained within the Policy, written confirmation has been received from the Williams' that they are prepared to fund the full cost of construction, less the 20% Council contribution (i.e. \$7,200). No funding contribution is being sought from the other two property owners.

The remaining procedural steps would be undertaken having sought a formal position from Council in regard to its preparedness to proceed with the proposal, and fund the 20% contribution (i.e. \$1,800).

Human Resources & Financial Implications – The road would be constructed using Council's existing resources and have no impact on work programming. Council's contribution of \$1,800 can be funded from the approved 2016/17 Road Maintenance Budget.

Community Consultation & Public Relations Implications – Adherence to the remaining procedures detailed in the Policy will ensure the property owners impacted will be aware of the circumstances prior to construction. An opportunity for feedback and comment will be provided despite no financial contribution being sought.

It is acknowledged that there have been issues relating to access and maintenance of this section of 'unmade road' in the past. This proposal is seen as a positive and permanent measure to address these issues, and hence the proposal is recommended for approval.

Policy Implications – Considered in accordance with Council Policy.

Priority - Implementation Time Frame – N/A (Council perspective).

RECOMMENDATION

THAT:

- a) the information be received;
- b) Council be prepared to construct the nominated extension of White Kangaroo Road, Campania (approximate distance of 500 metres) to the U3 standard and accept ongoing maintenance of same (to be formalised through an amendment to the Council map kept under section 208 of the *Local Government Act 1993;* and
- c) Council acknowledge that its 20% contribution under the Policy will total \$1,200; and
- d) The other procedural requirements of the Policy be undertaken.

1.1 ROADS & BRIDGES

1.1.5.2 CROWN RESERVED ROADS (UNMADE ROADS): PUBLIC INITIATED REQUEST TO CONSTRUCT – POLICY AND PROCEDURES

First Council Meeting Date:	11 th Oct. 2006	Decision No.	<i>C/06/10/078/8500</i>
Final Council Meeting Date:	1 st Nov. 2006	Decision No.	C/06/11/069/8541
Repealed Council Meeting Date:		Decision No.	
Updated Council Meeting Date:		Decision No.	

POLICY AND PROCEDURE

POLICY STATEMENT

Council will construct a Crown Reserved Road, and accept ongoing maintenance responsibility, where the following procedure is adhered to and all conditions / pre-requisites have been complied with.

In all cases, Council will be responsible for constructing the road to the required standard determined by Council.

PROCEDURE

Upon receipt of a request for Council to construct a Crown Reserved Road, Council will:

- (a) undertake research to confirm the status of the Road as Crown Reserved Road, and identify any existing Leases / Licences (which may prevent construction);
- (b) Assess and consider the merits of the proposal based on economic and social benefit for the broader municipal area and community (This is an additional consideration to justify Council investment in the development of additional road infrastructure, and the associated budget implications);
- (c) determine whether there is any private infrastructure within the road reservation which may require relocation to enable construction of the road. This will be undertaken at the owners expense, although it may be undertaken during the construction process;
- (d) seek approval 'in-principle' from the Crown to construct the Road;
- (e) prepare a cost estimate for constructing the road, which will include costs associated with acquiring necessary drainage easements (if applicable) and any other related infrastructure;
- (f) identify the affected property owners and determine the apportionment of costs based on the principles detailed below; and
- (g) inform the applicant(s) accordingly.

The applicant(s) must then:

(a) seek formal consent from each of the landowners fronting the section of the Crown Reserved Road to be constructed, which will include confirmation of financial contribution. A separate apportionment of the construction costs may be agreed between the affected landowners;

- (b) identify if there is a need to negotiate any separate repayment arrangements, with all or any of the parties, and notify Council accordingly. In this regard, it is considered appropriate that any repayment arrangement would not exceed five (5) years. Each to be considered on a 'case by case' basis:
- (c) Seek formal approval from any persons that may have private infrastructure within the road reservation that they are prepared to relocate the infrastructure at their own expense.

There must be full agreement from all affected landowners for the project to proceed.

Funding Contributions – Apportionment principles:

Unless determined otherwise, Council will contribute an amount equivalent to twenty percent (20%) of the total estimated cost of construction.

The remaining (80%) of the total cost will, in the first instance, be apportioned based on the length of the road frontage to the section of the road to be constructed.

Any Council owned property will be excluded for the purpose of calculating road frontage and the end apportionment.

- A final project report for the Underground Irrigation System for the Mt Pleasant Recreation Ground has been submitted to the Department of Premier and Cabinet – Communities, Sport and Recreation Division.
- Helen Geard and Maria Weeding have recently sorted just over 2000 native tubestock plants. These are for use on the Dulverton Walking track, replanting a section of the lake foreshore where pine trees were removed last year, distribution to various landholders, and some for the Parattah Hall committee. The plants were obtained through a grant that the Midlands Tree Committee secured.
- A funding application for the Dulverton Walkway track has been submitted to the Tasmanian Community Fund. The amount requested is \$15,482. The Tasmanian Community fund have a specific tracks and trails funding round. The outcome of the application will be advised by the 10th August 2016.
- Helen Geard will be working with Graham Green next week to plant out an area at Tunbridge township.
- Both Helen Geard and Maria Weeding have been away on annual leave for a week during the month.

Cost Benefits Achieved by Southern Midlands and Other Councils

140 hours of Common Services were exchanged by Southern Midlands Council last month. Analysis of common services provision has indicated that both the Provider Council and the Client Council save money through the exchange of common services at an approximate ratio of 50%.

In the month of June it is estimated, Council have achieved a net benefit of approximately \$3,950. This was a result of increasing the utilisation of its current staff to eam additional revenue from providing services to other Councils, and from utilising common services from within Local Government as opposed to external consultants (on average LG common services rates can be procured at significant discount to external consultant fees).

It is estimated that Southern Midlands Council's direct involvement in common services saved participating Councils (including Southern Midlands Council) approximately \$8,500 for the month of June.

18.1.1 DESKTOP REVIEW OF COUNCIL'S STRATEGIC PLAN 2014-2023

Author:DEPUTY GENERAL MANAGER (ANDREW BENSON)Date:20 JULY 2016

Enclosure:

Draft Desktop Review Strategic Plan 2014-2023

BACKGROUND

Council's Strategic Plan in its current layout was adopted prior to the commencement of the 2006/07 financial year and it is acknowledged that a review of the Plan has occurred every two years since that date. There have been changes to the Local Government Act 1993 and those changes require Council to create a plan that encapsulates a ten year period in line with the requirement for Council to have a ten year asset Management Plan.

It is two years into the ten year Strategic Plan 2014 – 2023 and a desktop review was agreed to be undertaken to ensure that it remains relevant, therefore some minor changes to the approved Strategic Plan 2014 – 2023 have been undertaken. For example the current Elected Members were not the Council that approved the original document; therefore the current Elected Members have been included within this document. It is proposed that a Community based review be undertaken at the "midterm" of the document, ie in two years' time.

The attached draft Strategic Plan 2014 – 2023 is the outcome of a recent senior Manager's workshop and is recommended for Council's consideration.

For Discussion

RECOMMENDATION

THAT Council

- 1. Receive and note the report;
- 2. Consider the adoption of the draft desktop review Strategic Plan 2014 2023, and any amendments agreed during the meeting with final consideration in the August 2016 Council meeting; and
- 3. Endorse the process of the review of the Strategic Plan to date.

18.1.2 BUSINESS CONTINUITY PLAN

Author:DEPUTY GENERAL MANAGER (ANDREW BENSON)Date:20 JULY 2016

Enclosures:

Draft Version 2 – Business Continuity Plan ICT Business Continuity / Disaster Recovery Plan

ISSUE

Good business practice demands that Council has a Business Continuity Plan. This document requires regular review and endorsement by Council.

BACKGROUND

[EXTRACT FROM THE REPORT TO THE JUNE COUNCIL MEETING]

FRAMEWORK FOR ANALYSING COUNCIL'S GOVERNANCE FUNCTION

The diagram below along with its explanation has been the subject of previous presentations to Council; however, it is meaningful to reflect on this governance framework when policy documents are presented to Council. As part of this framework it is important for Council to be aware of and monitor audits and related governance review mechanisms that are undertaken within the organisation, based on Council's strategies and policies.

	Compliance Roles		Performance Roles	
External Role	Provide	Accountability	Strategy Formulation	
		Working with & the Mane	-	
Internal Role	Monitoring & Supervision -		Policy Making	
	Past & Present Orientation		Future Orientation	

The enclosed version 2 of the Business Continuity Plan will replace the existing version. This revised document is more comprehensive than the previous document.

As Councillors are aware, the process for any policy document being, that it is tabled at one meeting and then "lays on the table" until the next meeting, to enable Councillors sufficient time to work through and consider all of the ramifications of the strategy/policy, before the document is finally considered for adoption at the following meeting.

CONCLUSION

This proposed document represents a more comprehensive approach in working with emergency management partners as well as internally with Business Units both in the manner in which it is presented and the detail included within the document.

The draft version 2 Business Continuity Plan is commended to Council for its consideration.

RECOMMENDATION

THAT Council

- 1. Receive and note the report;
- 2. Consider draft version 2 Business Continuity Plan for adoption at the July 2016 Council meeting.

DECISION

Attachment:

Draft Version 2 – Goods & Services Purchasing Policy

ISSUE

Review of the Goods and Services Purchasing Policy.

BACKGROUND

[EXTRACT FROM THE REPORT TO THE JUNE COUNCIL MEETING]

The attached draft version of the Goods and Services Purchasing Policy will replace the existing version (2008). The revised draft has been updated to accurately reflect current structure and positions. Clause 5.1 a) and 5.2 have been adjusted to reflect the increase price in goods and services since the previous policy was approved in 2008.

As Councillors are aware, the process for any policy document is, that it is tabled at one meeting and then "lays on the table" until the next meeting, to enable Councillors sufficient time to work through and consider all of the ramifications of the policy, before the document is finally considered for adoption at the following meeting (July 2016).

The revised draft of the Goods and Services Purchasing Policy is commended to Council for consideration.

RECOMMENDATION

THAT Council

- a) Receive and note the report;
- b) Consider Revised Draft Version 2 of the Ordering Of Goods and Services Purchasing Policy for adoption.
